**6. New Business:**

**A. Unknown Property-**Town Clerk Lisa Young reported that Assessors' Agent Garnett Robinson has informed her that the town has two unknown properties that need to be taken care of. One property is off Cross Road, and the other one is land locked by Raccoon Road. These properties are in the foreclosure process, but before the process is finalized, letters need to be sent to the abutters and a notice needs to be put in the paper; the notice and letter would ask for proof of ownership by a deed. If no one claims the property it would become town land. Chairman Alton Grover and Selectman Daniel Staples will contact Assessors' Agent Garnett Robinson to get more information.

**7. Comments from Citizens-** Robert Ellis noted that he was glad to see that Selectman Daniel Staples made the motion to retain Kristin Collins for the Sue Fisher case. He wanted to remind everyone that the town policy is to only take action on items that are posted on the agenda so people like himself will know what is going on. Chairman Alton Grover reported that he received an e-mail from Attorney William Dale stating he saw the article in the Bangor News in regard to the Fisher case, and he was wondering if it was something the Town needed his help with or if the Towns' insurance carrier had been contacted.

**ACTION:** Chariman Alton Grover made a motion, seconded by Selectman Daniel Staples, to enter into
