Effect of Increasing the Tax Cap for 2019 on 2020 Proposed Budget

By applying the Property Growth Factor for 2020 (3.43%) to the 2019 base tax assessment (\$4,633,194), the County is allowed to raise the tax assessment to no more than \$4,792,112 or \$158,919 more than the base tax assessment in 2019. The 2020 Knox County Budget, as proposed, calls for a decrease in the allowed tax assessment of \$247,273 to \$4,544,839. The Corrections Assessment can only be equal to the property growth factor or \$123,770 for an allowed assessment of \$3,732,220. The Corrections Budget, as proposed, is at the allowed tax assessment of \$3,732,220. The charts below explains this further:
