The School Board recommends **\$8,185,859.09** for additional local funds and gives the following reasons for exceeding the State's Essential Programs and Services funding model by **\$8,185,859.09**: The Essential Programs and Services funding model does not fully support all of the costs associated with operating a comprehensive K-12 educational program, such as athletics/co-curricular activities, special education programs, alternative education programs, maintenance and transportation, nor does it recognize and account for the costs associated with maintaining small class sizes, operating small elementary schools in each community, and offering a broad level of academic programming including the instruction in the arts and Advanced Placement courses.

Note: that of the \$8,185,859.09 in Additional Local Funds, \$416,505.80 will be assessed directly to the City of Rockland and \$212,107.84 will be assessed directly to the Town of Thomaston to pay for State audit adjustments attributable to those municipalities for overpayments of State subsidy in fiscal year 2018-2019 resulting from incorrect estimates of Pre-K pupil counts.

Explanation: The additional local funds are those locally raised funds over and above the Regional School Unit's local contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the Regional School Unit budget for educational programs.

ARTICLE 16 SUMMARIZES THE PROPOSED SCHOOL BUDGET

ARTICLE 16: To see what sum the Regional School Unit will authorize the School Board to expend for the fiscal year beginning July 1, 2019 and ending June 30, 2020 from the Regional School Unit's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, state subsidy and other receipts for the support of schools.

School Board Recommends \$31,176,500

ARTICLE 17 AUTHORIZES EXPENDITURE OF GRANTS AND OTHER RECEIPTS

ARTICLE 17: In addition to amounts approved in the preceding articles, shall the School Board be authorized to expend such other sums as may be received from federal or state grants or programs or other sources during the fiscal year for school purposes, provided that such grants, programs or other sources do not require the expenditure of other funds not previously appropriated?

RSU # 13 - Budget Information July 1, 2019 – June 30, 2020

Per State Law, the RSU # 13 School Budget approval process requires two steps.

Step 1:

Every school system in the State is required to have a Regional Budget Meeting where the Citizens will vote on each of 11 expense articles. A final budget will be adopted at the end of this meeting. **The meeting will be held on Thursday, May 23, 2019 starting at 6:00 P.M. at Oceanside High School.**

Step 2:

There will be a District wide referendum to validate the budget approved on May 23, 2019. **The referendum will be held on Tuesday, June 11, 2019, and voting will be in each town at the town's designated polling place.** The referendum question will be a "Yes" or "No" question simply asking, "Do you approve the budget that was adopted at the Regional Budget Meeting on May 23, 2019?" The law change does not allow for the amount of the adopted budget to be included on the ballot. The School District will have printed material about the budget available at the polling places.
